Hi Carey. With this response, I am forwarding your inquiry to William Sawyer and Flaire Mills of EPA Region 2's Office of Regional Counsel. They would be the best people to contact at EPA regarding this matter. (Amy Chester is on vacation until the end of December.) FYI, I will be leaving the office at 2:30 today, and I will not be in the office tomorrow.

Hi Carol,

I am finalizing the 2016 report of expenditures which is due by Jan. 1 under the ERT Agreement. To accommodate vacation schedules, we will be sending this report out early next week. In the report, EPA is noted as not providing approval of the 2016 budget. Do you have an update on your message below? If it is possible to get EPA approval today or tomorrow, then I can avoid stating that EPA approval of the budget is pending.

Thank you,

Carey

Good afternoon Carol, Stephanie, Amy, Bill and Flaire,

As requested, please see the correspondence below from the Virgin Islands Attorney General and DPNR which provides approval of the HOVENSA ERT's 2016 budget. Attached is the approval previously received from the US DOJ. It is my understanding that EPA now has all of the information requested in relation to review and approval of the HOVENSA ERT's 2016 budget. Please let me know if I can provide anything further.

Thank you,

Carey

Hi Carey and Roberto:

Included in this email thread is the Attorney General's approval of the budget. And as previously indicated, DPNR approves its portion as well.

Thanks for your patience
